Civil Action:

Case No:

Jury Demand:

42 U.S.C. 1983; 14th and 15th

Amendment to the Const. NVRA 1993

52 U.S.C. 20507

**COMPLAINT FOR MONETARY
DAMAGES, DECLARATORY,
INJUNCTIVE RELIEF**

PRELIMINARY STATEMENT

1. This is a voting rights lawsuit filed pursuant to the Voting Rights Act of 1965 52 U.S.C. 20507, and 42 U.S.C. 1983, 18 U.S. 241, National Voting Registration Act of 1993, Conspiracy against rights; seeking monetary damages and prospective declaratory and injunctive relief against Michigan Secretary of State Jocelyn Benson in her official and individual capacity, Detroit Election Department in its official capacity; Clerk Janice Winfrey in her official and

individual capacity; and John and Jane Doe sued in their official and individual capacity who work for the Detroit Election Department.

2. Voting is the cornerstone for the American people's civil and constitutional liberties. It is one of the checks and balances between dictatorship and a Republic, along with communism and the free world. Being able to elect and express our choice of a candidate is one of the fundamental components of voting rights. The black population in America has a long, glorious, but painful history centered around the right to vote in this country. Many have bled, fought and died so that Americans may fulfill the importance of voting.

3. The plaintiff(s) will show that in the 2017, 2020, 2021, 2022 and 2024 elections, based on information and belief; defendant(s) conspired to fraudulently register voters and fraudulently voted on behalf of voters without their permission, knowledge, input or consent. These acts caused each above-mentioned year elections to become diluted and distorted which denied the plaintiff(s) their Constitutional right to fair elections.

JURISDICTION AND VENUE

4. This Court has jurisdiction over this action pursuant to 28 U.S.C., because it seeks to redress the deprivation, under color of law, rights, privileges and immunities secured by the Voting Rights Act of 1965.

5. The Court has jurisdiction to grant both declaratory and injunctive relief pursuant to 28 U.S.C. §2201 and §2202.

6. The venue is proper in the Eastern District U.S. Courts because plaintiff and most of the defendants' place of work is in the eastern district.

PARTIES

7. The Detroit Election Department, is being sued in its individual and official capacity, and is responsible for making sure elections are fair and adequate, to ensure registered voters can exercise their Constitutional right to vote. The Detroit Election Department is located at 2978 West Grand Boulevard, Detroit, Michigan 48202.

8. Janice Winfrey, is being sued in her individual and official capacity, and is the Detroit City Clerk; her duties are to supervise elections and ensure that voting rights of all residents are protected and elections are conducted fairly.

9. Secretary of State, Jocelyn Benson, is being sued in her individual and official capacity, and is responsible for making sure elections are secure and accessible, that voting rights are protected and elections are fair. Her duty is to scrub and maintain the voter rolls before elections to ensure that registered voters are currently residing in their same voting district, deceased voters are removed; and voters relocated outside the district are removed from the rolls. Defendant Benson's job entails making sure registered voters' identification and registered vote I.D. cards reflect the exact same address; this in turn would minimize voter fraud.

10. To reinforce the right of qualified citizens to vote, Congress in 1993, passed the National Registration Act in 1993. *Ass'n of Cmty. Organization for Reform Now v. Miller*, 129 F.3d 833, 835 (6th Cir. 1997). The act set forth requirements that reasonable efforts must be made to remove ineligible voters, voters who are deceased or voters who have moved away.

11. Plaintiff(s) John F. Kennedy III, along with Ramon Jackson are victims injured by the act of voter fraud. Ramon Jackson lives at 9207 Coyle Street, Detroit, Michigan.

12. John F. Kennedy III resides on Eastwick Street in Roseville, Michigan.

13. Jane and John Doe work for the Detroit Department of Elections under the direction of Defendant, Janice Winfrey.

STATEMENT OF FACTS

14. While participating in the recall efforts to Recall District 3 City Councilmember, Scott Benson, a certified copy of the District 3 voter list from the 2022 election was obtained from the Detroit Election Department. On the list of alleged voters, who supposedly voted in the 2022 Gubernatorial Election in District 3 Detroit, plaintiff, John F. Kenney's name is on that list as voting Absentee in that election. This distorted and diluted the 2022 Detroit Gubernatorial election results.

15. Certified copies of people who had voted in the 2020 Presidential Election in Detroit and the 2021 Detroit Citywide election were also obtained from the Detroit Election Department. The voter's list is a true copy obtained from the election department, which can be obtained from the Detroit Election Department either through print or email along with a \$75.00 dollar fee.

16. Again, plaintiff John F. Kennedy III's name appeared on the 2020 Presidential Election's voter list from Detroit as voting absentee in that election, distorting the 2020 Presidential election results in Detroit. John F. Kennedy moved from 16293 Edmore Street in Detroit to Eastwick Street, Roseville Michigan in 2018. In 2020, based on information and belief, the Detroit Election Department fraudulently registered Mr. Kennedy as a permanent absentee voter without his knowledge, consent or permission.

17. Mr. Kennedy is a 51-year-old man who has never voted in his entire life. Mr. Kennedy during this time did not know what an absentee ballot form was Mr. Kennedy isn't aware of any of the 2020 or 2022 candidates that ran for public office during those years, so he never voted for any of those candidates. From a more logical point of view, "Mr. Kennedy lived in Detroit most of his life, but never voted in Detroit. He moved away, then decides to vote in the city of Detroit for the first time, after moving away."

18. On November 14, 2023, plaintiff Jackson obtained a certified copy of his voting history and voting registration history from the Detroit Elections Department. Mr. Jackson discovered that he was fraudulently registered to vote on January 19, 2017, in Detroit, after moving temporarily to Southgate in 2015, then Toledo, Ohio in 2016. DMV records from the State of Michigan and the State of Ohio would reflect that Mr. Jackson's Michigan Driver's License was surrendered September 2016 for an Ohio Driver's license, then Mr. Jackson was registered to vote in Detroit without his knowledge or permission January 19, 2017.

19. Mr. Jackson was registered to vote at 9255 Coyle Street in Detroit. Mr. Jackson has never had identification, license or utilized 9255 Coyle as a permanent, temporary or voting address.

20. Based on information and belief, the defendants have displayed a pattern or a system of operation that violates the residents of Detroit's voting rights. Within two years after relocating from Detroit, and under the guise of Janice Winfrey, residents who have left Detroit are being re-registered at their previous addresses after leaving. Ghost/fraudulent voters are being registered at resident's homes without the homeowner's or voters' knowledge. This act is being performed without the knowledge or permission of homeowners; prime candidates for this

arbitrary practice are those who have a zero history of voting. This practice dilutes, distorts and artificially inflates the voter registration number and elections for the City of Detroit. The voter registration numbers are utilized to gauge the voter participation in all Detroit elections.

21. The City of Detroit alleges to have 506,000 registered voters as of 2022. Detroit, according to the recent 2022 U.S. Bureau of Census boasted a population of 639,000 people with 24.9% of the population being under the age of 18. 24.9% is roughly around 157,000 which 639,000 minus 157,000 leaves 483,000 people over 18 remaining.

22. The U.S. Bureau of Census numbers are correct and accurate. These numbers are the official numbers the United States operates under. Based on the recent 2022 U.S. Census Report, the City of Detroit has started its City Council redistricting process. It is mathematically impossible for the City of Detroit to have 506,000 registered voters out of 639,000 people and close to 25% of those people are under the age of 18; unless a portion of the registered voters no longer reside in the City of Detroit, as the plaintiffs will show in this case.

23. Based on information and belief, the number of registered voters are contrived and illegally inflated; which hinder residents of Detroit and throughout the state to gauge an accurate number of voters who turned out for the Detroit and statewide election.

24. Maria Shenease Penkins of Eastpointe, Michigan, though not listed as a defendant in this case; moved from 6534 Pittsburgh Street, Detroit, Michigan in the year 1996. Ms. Penkins purchased her home in Eastpointe 2009-2010, and shortly thereafter the Detroit Election Department fraudulently registered Ms. Penkins to vote without her knowledge and permission at the Pittsburgh Street address May of 2012. Ms. Penkins expressed having no knowledge of registering to vote on Pittsburgh Street in May of 2012.

25. Steely Larae Smith, who current resides in Texas, though not listed as a defendant in this case; moved to Texas back in 2010. Prior to relocating to Texas, she lived in Royal Oak, Ferndale and Belleville, Michigan. Ms. Smith is currently registered to vote at 20046 Oxley Street, Detroit, Michigan 48235. The Detroit Election Department fraudulently registered her to vote in August 2012 without her knowledge or permission. Ms. Smith's mother expressed having no knowledge of her daughter being registered to vote on Oxley Street in Detroit ever in her life. Someone cast a fake absentee ballot in Steely Smith's name at 20046 Oxley Street in the 2020 election, distorting and diluting the 2020 Detroit Presidential election results. (SEE ATTACHMENT)

26. Anthony Earl Harris, Ishon Hill, Karnesha Alexander and Martell Simpson all moved before the 2021 Detroit Citywide elections. Harris moved to Taylor, Michigan; Hill moved to Ohio; Simpson to Harper Woods and Alexander to another address in metropolitan Detroit. Each one of these individuals were on the 2021 Detroit Citywide voting list as voting absentee after relocating. The illegal votes of these individuals diluted and distorted the 2021 citywide election results.

27. Charles and Karen Miles owns the property located at 20161 Meyers Street in Detroit, Michigan. The Miles family has owned this property since 1969 and has never rented or leased this property to anyone outside the Miles family. On February 2, 2024, defendant Janice Winfrey sent a voter cancellation notice for a James Martin to the Miles' residence.

28. Neither Charles nor Karen Miles know James Martin and James Martin has never resided at 20161 Meyers. Further investigation and review of the Michigan Qualified Voters File (QVF) determined that James Martin has been registered to vote at the Miles' residence for

more than four (4) years and someone cast a fake vote for James Martin at the Miles' residence in the 2020 Presidential Election diluting the 2020 election results. Another interesting fact: James Martin's D.O.B. year is listed as 1968, but his voter registration date is listed as 01/01/1900; making Mr. Martin registered to vote 68 years before he was born. James Martin was illegally registered to vote at the Miles' residence in February 2024. (SEE ATTACHMENT)

29. Further investigation and review of the State Qualified Voter List uncovered a Lillian Jableway, registered to vote at 20161 Meyers, the Miles' residence. Lillian Jableway's D.O.B. is listed as 1928 and her voter registration date was 1950. Someone cast a fake vote in Lillian Jableway's name under the Miles' resident address in the 2012 Presidential Election diluting the 2012 election results. Charles and Karen Miles do not know a Lillian Jableway, nor have a Lillian Jableway residing at 20161 Meyers from 1969 to the present. Lillian Jableway was illegally registered to vote at the Miles' residence in February 2024. (SEE ATTACHMENT)

30. 6831 Minock Street in Detroit is owned by Hernandez-Mercado and Jorge Amilcar, of Hispanic descent; who speak very little, if any, English. Nonetheless, Plaintiff Jackson, did speak with the current residents who live at 6831 Minock Street. Plaintiff found in his investigation that the City of Detroit Election Department allow multiple families to be fraudulently registered to vote at this address. Michelle and Eric Zupanic are white persons illegally registered to vote at 6831 Minock. Marlon Bonner, Shanna Bonner and Shannon Bonner are African Americans, illegally registered to vote at 6831 Minock. The current residents don't know the Bonners or the Zupanics. Further investigation and review of the Michigan Qualified Voter's list uncovered that fake votes were being cast at 6831 Minock in the

Bonnors and Zupanic's names. The fake votes were cast in the 2017, 2020, 2021 and 2022 elections, distorting and diluting those election results. (SEE ATTACHMENTS)

31. 6830 Minock is owned by Rabih & Iman, and are of middle-eastern descent. The home located at 6830 Minock Street in Detroit is currently vacant and listed for sale by Keller-Williams Legacy MSL#20240008068. In February 2024 the Detroit Election Department fraudulently registered the following voters at the vacant house located at 6830 Minock Street. Elizabeth Kersaw, Allen Renee Vaughn, Orlando Vaughn, Terrance Terrell Smith, Elaine Smith. This was done to fraudulently inflate the voter registration numbers, denying plaintiffs a right to a fair election count. (SEE ATTACHMENT)

32. 12842 Sussex Street is a home located on the Northwest side of Detroit. The home is owned by the Limited Liability Company Echimo One LLC but is occupied by non-English speaking immigrants. A fake absentee vote was cast in the name of Mary Elaine Beckman at 12842 Sussex in the 2024 February primary election. Mary Elaine Beckman does not reside at 12842 Sussex nor do the immigrants residing at 12842 Sussex know a Mary Elaine Beckman. This fake vote was cast to distort and dilute the 2024 Presidential Primary election in Detroit, denying the plaintiffs a right to a fair election. (SEE VIDEO/AUDIO EVIDENCE).

33. The pattern of corruption is clear; the defendants have and continue to conspire to violate the plaintiffs and other residents of Detroit's voting rights. There are dozens of others who meet this same pattern; fraudulently listed as registered voters and fake votes cast on behalf of these voters.

**CONSPIRACY TO VIOLATE
VOTING RIGHTS 18 U.S.C. 241**

34. The plaintiffs repeat and re-allege each allegation contained in Paragraphs 1-33 above as fully set forth herein.

35. The Defendants are selecting previous residents of Detroit who have moved away to different towns, cities, villages or States.

36. Residents are selected based on having a zero or low percentage of voter participation.

37. The residents are then illegally registered to vote either at a previous address the resident once resided at, or a totally different address the resident never resided at.

38. The Defendants are then either using the illegally registered voter to cast a vote on their behalf through absentee ballot voting or using the illegally registered voter as part of Detroit's registered voter list. The registered voter list plays a critical role in our elections as mentioned earlier in this complaint. The registered voters list is how the percentage of residents participating in the elections are counted. By the defendants distorting and diluting this number, it robs the residents of their rights to a fair count of factual election result total.

39. The plaintiffs Mr. Kennedy and Mr. Jackson share the same exact pattern as mentioned above in the conspiracy; both moved away from Detroit; both had a history of low or zero voting history. The defendants voted on behalf of plaintiffs in different elections, without the plaintiffs' permission, knowledge or consent.

40. Marie Penkins and Steely Smith both moved away to different towns and States; both have zero history of voting. Both were then placed on the registered voter list at previous addresses. This was done to artificially inflate the percentage of registered voters defrauding the residents of their right to a fair count in the elections.

CLAIMS FOR RELIEF

COUNT 1

52 U.S.C. and 42 U.S.C. 1983

**Violation of the Fourteenth and Fifteenth Amendment
to the United States Constitution and the
Voting Rights Act of 1965**

41. The plaintiffs repeat and re-allege each allegation contained in Paragraphs 1-40 above, as fully set forth herein.

42. 42 U.S.C. 1983 authorizes suits for the deprivation of a right secured by the Constitution or the laws of the United States caused by a person and/or persons acting under the color of law.

43. Section 1 of the Fifteenth Amendment to the United States Constitution provides that: **“The right of citizens of the United States to vote shall not be denied or abridged upon.”**

44. Section 1 of the Fourteenth Amendment to the United States Constitution provides that:

“No state shall make or enforce any law which shall abridge the privileges or immunities of citizens, nor shall any state deprive any person of life, liberty or property without due process of the law, nor deny any person within its jurisdiction the equal protection of the law.”

45. Not only does the Fifteenth Amendment and the Voting Rights Act of 1965 cover a citizen's right to vote, but it also covers fair elections. Just as citizens have a right to vote, citizens have a right under the Constitution to have fair elections. **Anderson v. United States, 417 U.S. 211 (1974).**

46. The defendant(s) casting fake ballots on behalf of the plaintiffs diluted and distorted the voting process and injured the plaintiffs and residents who voted in the 2017, 2020, 2021, 2022 and 2024 elections. In **Pritchard v. United States, 187 F.2d page 417**, the courts determined that **"the deposit of forged ballots in the ballot boxes dilutes the influence of honest votes in an election, no matter how small or great and whether in greater or lesser degree is immaterial."**

47. The right to an honest count of how many electors the City of Detroit has is a right possessed by each elector. By the defendant(s) fraudulently inflating the number of electors by registering persons who relocated from Detroit without their permission; denies plaintiffs and residents of Detroit and the State of Michigan their right to a fair count of the elections.

PRAYER FOR RELIEF

1. That this Honorable Court award the plaintiffs, John F. Kennedy III and Ramon Jackson, Compensatory and Punitive Damages for violating the plaintiffs' voting rights.

2. Declare that previous elections in 2017, 2020, 2021, 2022 and 2024 were distorted and diluted by fake voters and fake registered voters which violated the plaintiffs' voting rights.

3. Order the defendants to immediately, before the 2024 Presidential General Election; remove all voters from Detroit's registered voter list that has moved out of Detroit from

2010 through 2022, and any voters that moved out of town and the State who were registered through fraud. Remove all deceased people from the voter rolls who passed away between 2010 through 2022.

4. Award the plaintiff's costs, expenses and fees pursuant to 42 U.S.C. 1988 1331 and other applicable laws.

5. Order any other relief that this Court deems just and proper.

Respectfully,

A handwritten signature in black ink, appearing to read "John K. Kennedy III", with a long horizontal flourish extending to the right.
